To a Snowflake ...
by CJ Heck

Hello there, little
snowflake.
Where are all your
friends?
Should I expect a lot of
them
before the morning ends?

I love it when you visit
me
and you all fall down
together.
I get dressed to visit you,
toasty warm in cold, cold
weather.

It's fun the way you all
pile up
outside in my back yard.
I like to roll you in a ball
and make a snowman --
it's not hard.

Or maybe, I will build a
fort.
All my friends will come
and play,
and if you plan to stay
awhile,
we'll come see you every
day!

Sometimes, I make snow
angels
and their arms and legs
look puffy,
but I can only do that IF
you come down light and
fluffy.

Could I ask you guys a
favor?
White is nice, but
nothing's duller ...
Could you all please --
just one time --
come down in hearts, or
colors?
